do you know...

direct dialing saves on long distance calls?

We have the right connection to save you money. Dialing direct, station-to-station lowers your long distance phone costs. Dial 1,* the area code (if different from yours), then your number. You eliminate the need for operator assistance and give yourself savings by using Continental's lowest long distance rate in effect. Telephone service continues to be a bargain. Helping you save... an important part of Continental's job.
